Well me and the boys have been thinking
We've gotta get outta here
Well I've got a quarter in my pocket and the tank is full
So let's go, let's get outta here

I don't wanna climb your ladders
I don't wanna take your tests
I don't wanna tuck my shirt in
I don't wanna clean that mess
I don't want your forty hours
I don't want your bullshit checks
I just wanna burn this place down
Take what's mine, and you can have what's left

'Cause I'm rolling with the boys
We're doing fine now
I'm rolling with the boys
I feel ya rivers now
I'm rolling with the boys
The clock is ticking down
I'm rolling with the boys
And they're rolling with me

I don't wanna clean my act up
I don't wanna settle down
I don't want your realism
'Cause that shit always brings me down
I don't want your regulations
I don't want your politics
I just wanna live my life
The way I want, and you can have what's left

'Cause I'm rolling with the boys
We're doing fine now
I'm rolling with the boys
I feel ya rivers now
I'm rolling with the boys
The clock is ticking down
I'm rolling with the boys
And they're rolling with me

Well me and the boys have been thinking
We've gotta get outta here
Well I've got a quarter in my pocket and the tank is full
So let's go, let's get outta here
