I'm gonna walk right up to this heart of mine
Tell it what I want from it
I'm gonna have a sit down talk with this heart of mine
Tell it that I'm sick of it

(chorus)
Oooh, yeah yeah
Tell me I'm the only one that ever made you feel like
this
Oooh, yeah yeah
Tell me I'm the only one...

I'll have a knock down fight with this heart of mine
And tell it the way that it is
I'm gonna have a Jack straight up with this heart of
mine
And maybe we'll settle this
(chorus)

Oooh, yeah yeah
Tell me I'm the only one that ever made you feel like
this
Oooh, yeah yeah
Tell me I'm the only one who really gets your blood
pumpin'
(chorus)
