Underneath the bridge
The tarp has sprung a leak
And the animals I've trapped
Have all become my pets
And I'm living off of grass
And the drippings from the ceiling
It's okay to eat fish
'Cause they don't have any feelings

(x3)
Something in the way, mmm
Something in the way, yeah, mmm

Underneath the bridge
The tarp has sprung a leak
And the animals I've trapped
Have all become my pets
And I'm living off of grass
And the drippings from the ceiling
It's okay to eat fish
'Cause they don't have any feelings

(x4)
Something in the way, mmm
Something in the way, yeah, mmm
