I?m a rich mans toy  
Sick of the way you?ve been putting me  
Down sick of all your stupid games  
I?m a rich mans toy  
You?re a son of a gun and i?m easily led  
Coming up sometimes for air

I?m a rich mans toy  
Sick of the way you?ve been putting me  
Down sick of all your stupid games  
A toy - when you die they?ll burn your  
Bones but they?ll never destroy your  
Reamins  
You must be the king of the world

I?m a rich mans toy  
The duchess envoy said when i was a  
Kind  
You?d smack me around on a whim  
I?m a rich mans toy  
Your boyfriend moved all my things in  
The hall  
- didn?t know you were sleeping with  
Him

I?m a rich mans toy  
With powder and make-up  
D?ou think that i scrub well?  
Watching you wake up

Who?s right who?s not  
Who?s gonna get it now that i?m a  
Rich mans toy  
What?s the matter with me?  
What?s the matter with you?  
What?s the matter with me?  
Read us the riot act  
Or read off your cues

Powder and make-up  
Watching you wake up

Do you think i scrub well  
Who?s right who?s not?  
Who owes who what  
Who?s gonna get it now...

I?m a rich mans toy
