Junk shop clothes  
Will get you nowhere  
They're out of season  
It's betrayal without treason  
Junk shop clothes  
Will get you nowhere  
There is one reason why  
Your mother was a seamstress

Shame Soutine never spent  
A thrift shop dime  
In this life  
Lenny Bruce never walked  
In a dead man shoes  
Even for one night

Junk shop clothes  
Will get you nowhere  
No summer pavilion  
No shooting season  
Junk shop clothes  
Will get you...  
For the rest of your life  
you'll be drunk for the rest of your life  
And the sun never shone  
On your frame pale and wan

shh ahhh shh ahh shh ahh shh ahh
