Well, you were there when the wall came down  
A baby king with a grown man's crown  
And we played in the sun as the curtain was tumbling

Well I was young and I could not see  
That if you go won't you please take me  
And you told me that I would forget you eventually  
Yeah, yeah

I thought it was over but it's not  
I thought it was over but it's not

I'm spinning in circles I can't stop  
I thought it was over but it's not  
I'm in love  
With a fool  
And you don't know what you've lost  
It hurts from the bottom to the top  
I thought it was over but it's not  
Yeah

Another year and the job was done  
The old republic was dead and gone  
And the new way of living would be a reality

But it's a while since you shut that door  
I lie awake ain't asleep no more  
Though the nightmare is gone now I don't have a  
dream

I thought it was over but it's not  
I thought it was over but it's not

I'm spinning in circles I can't stop  
I thought it was over but it's not  
I'm in love  
With a fool  
And you don't know what you've lost  
It hurts from the bottom to the top  
I thought it was over but it's not

Does anybody know?  
Does anybody know?  
Does anybody know?

I'm spinning in circles I can't stop  
I thought it was over but it's not  
I'm in love  
With a fool  
And you don't know what you've lost  
It hurts from the bottom to the top  
I thought it was over but it's not
