Loneliness, oh, loneliness  
What is the point of it?  
Loneliness, oh, loneliness

Right now, I'll take a penny for my thoughts  
Right now, I'm overcharging you, of course  
Right now, but I've a question for you all

Whose idea was it?  
What is the point of it?

(Loneliness, oh, loneliness)  
I can't carry on this way  
Please let me stay, oh babe  
(Loneliness, oh, loneliness)  
We don't have to be this way  
Please let me stay

Right now, it claps a thunder in my brain  
Right now, my head is spinning with the pain  
Right now, it's so illogical and strange

Can't get over it  
What is the point of it?

(Loneliness, oh, loneliness)  
I can't carry on this way  
Please let me stay, oh babe  
(Loneliness, oh, loneliness)  
We don't have to be this way  
Please let me stay

It started out so well  
I even tried to take it slowly  
But now you're cold as hell  
That old north wind has blown these flames away

Loneliness, oh, loneliness  
What is the point of it?

(Loneliness, oh, loneliness)

I can't carry on this way  
Please let me stay, oh babe  
(Loneliness, oh, loneliness)  
We don't have to live this way  
Please let me stay, oh babe

Loneliness, oh, loneliness  
What is the point of it?  
Loneliness, oh, loneliness

It started out so well, yeah, yeah  
(Loneliness, oh, loneliness)  
(What is the point of it?)  
It started out so well, yeah, yeah, oh  
(Loneliness, oh, loneliness)  
Right now
