You and your friends
Boxes of ten
Cool to the touch
You warn me so much
The white to your left
The red to your right
Are all that I'd seen
Til I realised the love that I seek
Lies right in-between

Rose
I love ya
Especially today
Rose
I love your delicate way

The chill in my veins
Relieves me from pain
Again and again
I lose all control
Your taking your toll
And i'm no longer sane
Don't be afraid
The love that I show is the love that you made
So don't be afraid
'Cos your in control
I'm just your slave

Rose,
I love ya,
Especially today,
Rose,
I love your delicate way.

Don't let him put you down
I won't let him put you down
'Cos your as good as the rest
And you're much better dressed
I think pink is my colour
I wont drink from no other
Lover

Oh I love ya
Especially today
Especially this way
Oh Rose
I want ya
Believe me this way
Rose
