THE FEELING - SEWN

Give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it

Cause you got my heart in a headlock
You stopped the blood, made my head soft
And God knows
You got me sewn

Nah nah nah etc...

Danny boy, don't be afraid, to shake that ass, and
misbehave
Danny boy, I know you got time, but what are you
waiting for,
Anyway the dust may just blow away, if you wait for a
windy day

But you may find the chance has passed you by;

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and i'll sing it like I mean it
So give me the words and i'll say them like I mean it

Cause you got my heart in a headlock
You stopped the blood, made my head soft
And God knows
You've got me sewn

Nah nah nah etc...

Danny boy, don't be a fool
Take upon to break the rule
Danny boy your lookin so low
You lookin like the dead grown old
Anyway the blues may just wash away, if you wait for a

rainy day
But you may find, the chance had passed you by

I can't do the walk
I can't do the talk
I can't be your friend
Unless I pretend

So give me the song and I'll sing it like I mean it
Give me the words and I'll say them like I mean it

Cause you got my heart in a headlock
You stopped the blood, made my head soft
And god knows you've got me sewn

Nah nah nah etc...
You've got me sewn
Nah nah nah etc...
Yeah, yeah, yeah

Give me the song and I'll sing it like i mean it
Give me the words and I'll say them like i mean it

You've got my heart in a headlock
You stopped the blood, made my head soft x4
Made my head soft x8
Yeah, yeah, yeah
Oh Yeah, yeah, yeah etc.
