(Verse)

Say you be all for me
Together to see me
No reason to tell me
Youâ€™ ll never tell me

(Verse)

Every way that you try to say
Just got lost in your speech
And here we are and weâ€™ re gazing on
And how to forget hi hi

(Chorus x2)

Stand up baby
You never do it with me
Dance now, making you want
You wanna be there
Stand up, be mine
You never do it with me
Dance now, making you want

(Verse)

Say you be all for me
Together in the rain
Everywhere that youâ€™ re driving
Say now you donâ€™ t wanna be

(Verse)

Every way that come right down
And you donâ€™ t understand
This is right where you wanna be
Down, and you hate for now

(Chorus x2)

Stand up baby
You never do it with me
Dance now, making you want
You wanna be there
Stand up, be mine
You never do it with me
Dance now, making you want

(Verse)

He said that you wanna be like far and never wanted
Baby down and you wanna be there
You don't wanna let it stay
And the ways that you anticipated me for life
Holding back and you run for me
How and day by day by day by day

(Chorus x2)

Stand up baby
You never do it with me
Dance now, making you want
You wanna be there
Stand up, be mine
You never do it with me
Dance now, making you want
