[Verse 1]

Nowhere to go, nothing to do
So we go draw over walls
Police can't catch us cuz we're just to fast
We're too clever, we're not stupid
We're the ones that lead em all
And we're not gonna ever end up last

[Chorus]

Fish gang
Drawing over walls
Fish gang
Allways making calls
Fish gang
Never in the sea
Fish gang
Allways gonna be

[Verse 2]

We don't join em we just beat em
Cuz we've got a point to prove
You're the one's who'll never have a clue
Are you gonna follow us
Or are you gonna stay behind
Hurry cuz we won't wait for you
