(Chorus)

I'm going away (2x)

I'll be back some old day (3x)

I'm going away (2x)

I'll be back some old day (3x)

Please tell me man what more can I do

Please tell me man what more can I do

Lord knows, I can't get along with you

CHORUS

Get away from my window,

Quit knockin on my door.

Get away from my window,

Quit knockin on my door.

I got another man now,

Can't use you no more.

CHORUS

If you're in trouble,

I work to pay your fine.

Now I'm in trouble,

You don't pay me not mind.

Get away from my wind,

Quit Knockin on my door.

I've got another man,

Can't use you know more

1/2 CHORUS
