It's hard to take but it must be true
Even though you never had a clue
You always took yourself too seriously
When all the time you just wanted to be me
Yeah you want to be me

Well I don't wanna be a karaoke star
Who the fucking hell do you think you are?
You're talking to me as if I'm a dumb kid
Singing your songs I must've been stupid
I must've been stupid

Went across the land and across the sea
And all you ever did was bitch a me
You couldn't play what I wanted to play
So do your own thing and I'll go my own way
I'll go my own way

Well I don't wanna be a karaoke star
Who the fucking hell do you think you are?
You're talking to me as if I'm a dumb kid
Singing your songs I must've been stupid
While you're at home making your dad's tea
I'll be having fun making history
I know you're happy back where you are
But I'm not gonna be a karaoke star
A karaoke star

So you go your way I'll go mine
It's not a competition so I hope you do fine
You never learned to use your ears
Now you sing shit like Britney Spears
Britney Spears

Well I don't wanna be a karaoke star
Who the fucking hell do you think you are?
You're talking to me as if I'm a dumb kid
Singing your songs I must've been stupid
While you're at home making your dad's tea
I'll be having fun making history
I know you're happy back where you are

But I'm not gonna be a karaoke...
Well I don't wanna be a karaoke star
Who the fucking hell do you think you are?
I know you're never gonna get very far
Cause you're just a karaoke star
A karaoke star
You're a karaoke star
A karaoke star
