She tells me about last night and her 103rd first date  
(she counted).  
And she counted her pairs of pants again.  
I've only got 53, minus the ones I've got on.  
I want a restorative beer  
So I can take my mind off these tears.  
I want a Restorative beer.

Talked on my 25-foot phone extension cord about  
Needlepoint therapy blues.  
And then I knew I want a restorative beer  
So I can take my mind off these tears.  
I want a Restorative beer
