When the moon is in the seventh house  
And Jupiter aligns with Mars  
Then peace will guide the planets  
And love will steer the stars

This is the dawning of the age of Aquarius  
Age of Aquarius  
Aquarius  
Aquarius

Harmony and understanding  
Sympathy and trust abounding  
No more falsehoods or derisions  
Golden living dreams of visions  
Mystic crystal revelations  
And the mind's true liberation  
Aquarius  
Aquarius

When the moon is in the seventh house  
And Jupiter aligns with Mars  
Then peace will guide the planets  
And love will steer the stars

This is the dawning of the age of Aquarius  
Age of Aquarius  
Aquarius  
Aquarius  
Aquarius  
Aquarius

Let the sunshine  
Let the sunshine in  
The sunshine in  
Let the sunshine

Let the sunshine in  
The sunshine in

Let the sunshine [Whoa, let it shine]  
Let the sunshine in [Come on]  
The sunshine in [Now everybody just sing along]

Let the sunshine [Let the sunshine on in]  
Let the sunshine in [Open up your heart]  
The sunshine in [Let it shine on in]

Let the sunshine [And when you're lonely]  
Let the sunshine in [Hey, let it shine]  
The sunshine in [You got to open up your heart, let it shine on in]

Let the sunshine [And when you feel like you've been mistreated]  
Let the sunshine in [And your friends turn their backs on ya]  
The sunshine in [Just open your heart, let it shine on in]

Let the sunshine [You got to feel it]  
Let the sunshine in [You got to feel it]  
The sunshine in [Ow, open up your heart, let it shine on in]

Let the sunshine [And let me tell you one time]  
Let the sunshine in [I want you to sing along with the Fifth Dimension]  
The sunshine in [Hey, open up your heart, ow, come on]

Let the sunshine [And let it shine]  
Let the sunshine in [Every day]  
The sunshine in [Hey, you got to feel it]

Let the sunshine [You got to feel it]  
Let the sunshine in [You open up your heart]  
The sunshine in [You got to let the sun come on in]

Let the sunshine [Now, I say in the morning]  
Let the sunshine in [Late in the evening]  
The sunshine in [Open up your heart, hey]
