You asked me if there'll come a time  
When I grow tired of you  
Never my love, never my love

You wonder if this heart of mine  
Will lose its desire for you  
Never my love, never my love  
(Never my love)

What makes you think love will end  
When you know that my whole life depends on you

Never my love, never my love

You say you fear  
I'll change my mind and I won't require your youth  
Never my love, no, never, never my love

Now how can you think love will end  
When I've asked you to spend your whole life with me  
(With me)

Never my love, never my love  
Never my love, never my love  
Never my love

I'll leave you never my love  
Oh, believe me, baby  
I want you forever and ever my love  
I want to be
