Would you like to ride in my beautiful balloon?
Would you like to ride in my beautiful balloon?
We could float among the stars together, you and I
For we can fly we can fly up, up and away

My beautiful, my beautiful balloon
The world's a nicer place in my beautiful balloon
It wears a nicer face in my beautiful balloon
We can sing a song and sail along the silver sky
For we can fly we can fly up, up and away

My beautiful, my beautiful balloon
Suspended under a twilight canopy
We'll search the clouds for a star to guide us
If by some chance you find yourself loving me
We'll find a cloud to hide us, we'll keep the moon
beside us

Love is waiting there in my beautiful balloon
Way up in the air in my beautiful balloon
If you'll hold my hand we'll chase your dream across
the sky
For we can fly we can fly up, up and away

My beautiful, my beautiful balloon, balloon
Up, up and away
