My hands have been tied like a prisoner
My heart has been locked up so tight
You tore up my world like some picture
And I kept the anger inside

Hurting myself trying to hurt you
Holding on cuts like a knife
I could continue to curse you
And never get on with my life

I might not forget
But I'm not gonna let
Another day go wasting with hurt and regret
My foolish pride
Can never make it right
I'm done with that feeling
It's time to start living
All is forgiven

I hope that you got what you needed
I hope that your heart is at peace
Cause my heart is no longer haunted
I know that I wanna be
Better than this
Bigger than this
Whatever that is

I might not forget
But I'm not gonna let
Another day go wasting with hurt and regrets
My foolish pride
Can never make it right
I'm done with that feeling
It's time to start living
All is forgiven
All is forgiven

I might not forget
But I'm not gonna let
Another day go wasting with hurt and regrets
My foolish pride

Can never make it right
I'm done with that feeling
It's time to start living
All is forgiven
All is forgiven
All is forgiven
