The dreamer dreams, his tales to spin
A fantasy - a moments whim
It matters not what he shall find
It's meant to be in heavens time

The dreamer dreams, his tales to spin
A fantasy - a moments whim
It matters not what he shall find
It's meant to be in heavens time

He may battle, demons deep,
Come to rouse him from his sleep
Or he may travel beyond the sea
Finding beauty - forever free

(Chorus)

The dreamer dreams his soul to save-
A desperate chase to free the slave
The dreamer dreams, his soul to give
Forever young, his life to live

dream on, dream on, dream on, dream on
dream away
dream on, dream away

So sleep my friend tonight to rest
Angels bring their nightly quest
You shall conquer all your fears
And peace be with you all your years

(Chorus)

The dreamer dreams his soul to save
A desperate chase to free the slave
The dreamer dreams, his soul to give
Forever young, his life to live

dream on, dream away
dream on, dream away, dream on

So sleep my friend tonight to rest
Angels bring their nightly quest
You shall conquer all your fears
And peace be with you all your years.
