"The Dreamer"

I want to know what you're thinking
There are some things you can't hide
I want to know what you're feeling
Tell me what's on your mind

Here I am in silence, looking round without a clue
I found myself alone again, all alone with you
I can see behind your eyes the things that I don't know
If you hide away from me how can our love grow?

(Chorus)

I know I could break you down but what good would it
do?
I could surely never know if what you say is true
Here I am in silence, it's a game I have to play
You and I in silence, with nothing else to say

(Chorus)

(Repeat chorus 2x)
