You got bells on your fingers  
And a bluebird in your eye  
Whoa how you make those  
Good boys cry

With an acid washed smile  
And a velvet sleeve  
You're dropping lies  
Like flies in the cream

Ain't it just like...  
Velvet blues, I don't know what to do  
With velvet blues  
I never knew you'd be so cool

You got a quadrophonic sound  
And coca cola eyes  
Wax candle shins  
And crisco flavored thighs

Stained glass shoe shine  
And altercations in your mind  
Your sleeping in the seaweed  
Cracking crab apple pie

Velvet blues, I don't know what to do  
With velvet blues  
Oh howo oh uuuhhhh....
