It's the shiver when you're by my side
It's the beauty when our eyes colide
I've been lost
Through the bruises of the past
It's the promise that our love will last
Inside...

[Chorus]
Are you for real?
Are you for sure?
Or is it another dream?
Or is it an open door?

[Chorus]
Are you for real?
Are you for sure?
Or is it another dream?
Or is it an open door?

Isn't it funny to know...that
I've tried so hard to be unlovable
But your touch
Made me want to be the only key
That would finally dare to set you free
Inside...

[Chorus]
Are you for real?
Are you for sure?
Or is it another dream?
Or is it an open door?

[Chorus]
Are you for real?
Are you for sure?
Or is it another dream?
Or is it an open door?

...

[Chorus]
Are you for real?

Are you for sure?
Or is it another dream?
Or is it an open door?

[Chorus]
Are you for real?
Are you for sure?
Or is it another dream?
Or is it an open door?

Why don't you wake me up? (x 12)
