I know i said things i shouldn't say
baby,i hope you're ok
but i heard things i didn't want to hear
and baby, i'm still ok
I know that living with me was sometimes hard
baby,i know that's true
but it's not so simple as you think
I'm feeling the same way too

please don't say that it's over
don't say that it's over
or won't know what to do
don't say that you'll be gone
or i'll be done
i'll lose myself inside of you

I know sometimes I might seem so ugly
and maybe i really am
i know i'm not that easy to ignore
when i'm really mad…

'cause i just wanna say i love you
more then i ever could
and i just wanna hear you love me too
then i'll be fine

don't say…
