

16 Bit "Changing Minds"

Visit "[Changing Minds](#)" on MotoLyrics.com

Read the instructions on your plasma screen

Store your program on disc

And now you move with the cursor up and down
Left and right.
Printing directly from the keyboard

Change line forty in your program

Insert a sheet of paper and let the system run.

Face the fact you're left in the dark
With the fantastic 8 megabyte computer.
Start by checking all the connections

And now turn on the power.
While holding the bold key
Activating the ram expansion port

Insert your final program
And then you press 'return'.

Count these pieces of information

Don't be afraid

My friend

Learn to use this computer

Don't try to lose control

If you don't follow these instructions

A five pound explosive charge
Will detonate in your face
And now turn off the power!
