Do you hear your own heartbeat?

No

Do you hear the grasshopper which is at your feet?

Old man, how is it that you hear these things?

Young man, how is it that you do not?

You can not see

You think I can not see?

Of all things, to live in darkness must be the worst

Fear is the only darkness

Uh

Here, catch

Uh

Hahahaha, never assume that because a man has no eyes, he can not see

Close your eyes

What do you hear?

Old man, how is it that you hear these things?

Young man, how is it that you do not?
