OK... I don't need this anyway
If you have got to let me go
Then maybe you should know
There are these things you haven't seen
Things for only me

This is the last thing that I'll say
I'll say to you today
Forever for that sake
Redemption for the days

Where I would bite my tongue
Who said you were the one?
Won't you look into my eyes
Here's to us, here's your surprise
Can I have my life today?
The one you threw away
I'll swallow my pride someday

This is the last thing that I'll say
I'll say to you today
Forever for that sake
Redemption for the days
