Will I close my eyes?
Will I hold my breath
Will I want to cry?
Will our souls connect?

I've been thinking about it when I go to bed at night I
wondered wonder...

Will you hold my hand?
Will you speak of love?
Will the stars be shining in the sky above?
Will it be your love I've been dreaming of for so long
holding on?

Our first kiss won't be the last time our loves to deep to
end that fast and good things come to those who have
to wait I believe it's only time that keeps us from the
thing divine and when it's here you know I am gonna
say lay it on my lips

Will it taste like candy?
Will it be that sweat?
Will our hearts be racing to a heavenly beat?
Will the moment sweep lift me off my feet and draw me
under (under)?
Will I tremble tremble when I beg for more?
Will it be like anything I never felt before?
Will we be down for a little more?

One thing I know for sure our first kiss won't be the last
time our loves to deep to end that fast and good things
come to those who have to wait I believe it's only time
that keeps us from the thing divine and when it's here
you know I am gonna say lay it on my lips our first kiss
won't be the last time our loves to deep to end that fast
and good things come to those who have to wait I
believe it's only time that keeps us from the thing
divine and when it's here you know it's gonna stay
(gonna stay now)

I can picture it all inside my head just how it's going to

feel but a girl can only dream so much and now she
wants to make it real (make it real) (break it down now)

Our first kiss won't be the last time our loves to deep to
end that fast and good things come to those who have
to wait I believe it's only time that keeps us from the
thing divine and when it's here u know I am gonna say
our first kiss won't be the last time our loves to deep to
end that fast and good things come to those who have
to wait I believe it's only time that keeps us from the
thing divine and when it's here u know I am gonna stay
now (make it real now make it real now) our first kiss
won't be the last time our loves to deep to end that fast
and good things come to those who have to wait I

divine and when it's here u know I am gonna say
(repeat till end)
