Intro: Dr. Dre

That's right
Some of that shit you just can't fuck wit
Tha Dogg Pound flava, for the nine-fever
Knowhatl'msayin? Michel'le in the house
That's right, set it off

Verse One: Dat Nigga Daz, Michel'le

Young Daz struck a match and the match went out
But it wasn't no more lights in the house, check it out
Speakin of house let's play a game of it
Are ya wit it? Hide and go get it, I betcha love it baby
I'll play the daddy and you can play the momma
so we can get down upon the living room floor
Are ya wit it? I promise I won't kill it
Puddy-cat on a leash what should I do, should I kill it?
Yesss

See back in the day when we used to play
You wanted to be with me [that's right]
Now that is so right and natural
No other man that I can see
I'm singin in my background
diggin up a hole for you to make your move
But no longer will I be told regroup
Let's play house

Chorus: Daz, Michel'le, Nate Dogg

Engine engine number nine let's play house
Rollin down the DP line
(repeat 2X)
[Michel'le] Let's play house...
[Michel'le] Is that what you want me to do with you?
You play tha momma baby let's play house
I'll play the daddy
You can play the momma
and I'll play the daddy
[Michel'le] Let's play house

You can play tha momma let's play house
and I'll be the daddy
and I'll be the daddy
that runs the house, straight up

Verse Two: Dat Nigga Daz, Kurrup

I'm in the shack bout to blaze up a sack
Yeah we grown all alone posted up the back
There's no mistakin, I can have the whole house shakin
Young Daz in that ass baby doll no fakin
Don't get me wrong, tell me what's the flavor of the
song
You know it's Daz in your drawers when ya momma
ain't home
Ring the alarm, I got ya buzz, lovin me
Phsyically and mentally I knew that it was never meant
to be

I know you know this girl by tha name of Danielle
Body of a Goddess face from hell
but oh shhh, this wasn't the average trick
(She got the bomb) and she like goblin and swallowin
a whole nine and a half on dat black ass
Groupie now all the hoocies wanna do me from the
past
to the present (say what?) let me rep and present
(Who dat?) The biggest nigga hittin all the hoes in your
click
Fast as lightning runnin through like the breeze
in the summertime out on the corners making G's
It's the thirst, but I can show somethin much worse
than the thirst, if worse came to worse, but first things
first
Brenda, I can remember
How hot y'all be gettin, eighty-seven, eighty-six, and,
yeah
The year a young man grows
Some women become ladies, some turn into hoes
Young hoes grown, find a way to stay wit me
In the cut wit Kurrup, come and play with me, yeah

Outro: Michel'le, Nate Dogg

[part A]

If ya wanna be wit me, stay wit me, play wit me
Come Kurrup, bring your stuff to me
My, sweet, baby

[part B]

Let's play house, let's play house, let's play

houuuusseeeee

Let's play housssse, let's play housssse

part A, part B sung as part A repeats

part B sung over part A with Nate Dogg singing "let's
play house" 2X

(repeat this part 3X to fade)
