Yoav Ginai/Tzvika Pick

She's all you'll ever dream to find,

On her stage she sings her story.

Pain and hurt will steal her heart tonight,

Like a queen in all her glory.

And when she cries diva, he's an angel,

When she laughs, she's a devil,

She is all beauty and love.

Silent tears drop from these eyes tonight,

Tears of prayer for all those aching hearts

And when she cries diva, he's an angel,

When she laughs, she's a devil,

She is all beauty and love.
