Bridge (2x)

[Low-G]

That's a no-no

I don't play, put it down, doin' shows

Out-of-State, but admit I don't hate

Get your shit straight

Before I put your head on my dog's plate

Second ward a straight thug

Cuz you already know, I don't have no love

For the hoes or the snitches

From the niggas that think they got too much riches

Clown on my switches

Go head on the block I look suspicious blowin' swishers

Chorus:

Cuz this is for my niggas, and this is for my bitches,

My nigga on the twenty and my nigga on the switches,

Cuz this is for my niggas, and this is for my bitches,

My niggas sippin' lean and my niggas blowin' swishers,

Cuz this is for my niggas, and this is for my bitches,

My nigga on the twenty and my nigga on the switches,

Cuz this is for my niggas, and this is for my bitches,

My niggas sippin' lean and my niggas blowin' swishers

Bridge (2x)

All the way to the U.S.A.

We get paid....

The right way

You already know, you just can't deal with us,

Can't deal with us...

Southside....

Get high....

Ride on twenties,

Low on switches,

Sippin' lean,

And get with the real bitches,

Smoke that,

Pass that,

Get with that,

Happy wassup Holmes?

South Park what's up Holmes?

Filero wassup Holmes?

Wassup C-Loc?

And all them boys out there makin' a dollar, makin' it
happen,

You already know,

It's Low-G, up in the one nine nine nine
