get your motor running
and head out on the highway
looking for adventure
in whatever comes our way

yeah, darling, gonna make it happen
take the world in a love embrace
fire all of your guns at once and
explode into space

i like smoke and lightning
heavy metal thunder
racing in the wind
and the feeling that i'm under

yeah, darling, gonna make it happen
take the world in a love embrace
fire all of your guns at once and
explode into space

true
nature child
we were born
born to be wild
we have climbed so high
never wanted to die

born to be wild
born to be wild
hey

get your motor running
and head out on the highway
looking for adventure
in whatever comes our way

yeah, darling, gonna make it happen
take the world in a love embrace
fire all of your guns at once and
explode into space

true
nature child
we were born
born to be wild
we have climbed so high
never wanted to die

born to be wild
born to be wild
