I don't believe in an interventionalist God
But I know darling that you do
But if I did I would kneel down and ask him
Not to intervene when it came to you
Not to touch a hair on your head
To leave you as you are
And if he felt he had to direct you into my arms

[ref]
Into my arms oh lord (x3)
Into my arms

And I don't believe in the existence of angels
But looking at you I wonder if that's true
But if I did I would summon them together
And ask them to watch over you
To each burn a candle for you
And to walk like Christ in grace and love
And guide you into my arms

[ref]

But I believe in love
And I know that you do too
And I believe in some kind of path
That we can walk down me and you
So keep your candles burning
And make her journey bright and pure
That she will keep returning
Always and evermore
