They say our love was never meant to be  
That time would make it just a memory  
But they don't know how can they understand?  
We didn't build no castles in the sand

Oh  
And all the king's horses  
All the king's men  
Couldn't storm this tower  
Of love, my friend  
Of love, my friend

They say our life was just a fairy tale  
No matter how we tried we must surely fail  
But where are they now and could they ever  
understand?  
This ivory tower was built on rock, not sand

And all the king's horses, baby  
All the king's men  
Couldn't storm this tower  
Of love, my friend  
Of love, my friend

All the king's horses  
Uh, and all the king's men  
Couldn't storm this tower  
Of love, my friend  
Yeah

All the king's horses  
Yeah, yeah  
All the king's men  
Couldn't storm this tower  
Of love, my friend

All, all, all the king's horses  
All, all, all the king's men  
Yeah, yeah, yeah
