The six ease out CD laced digital readout
No doubt cop glocks from the dread, fuck the
weedhouse
Yo, elegance hate females with no intelligence
Embezzlement, got big boys behind the metal fence

Merrill Lynch it's your life Crist alright
Vince on ice, sex chicks all types
General status, smoothness mixed with malice
Trips to Dallas, built a pool in my palace

Who want what from more moneys I want a cut
Extortin' start from the corner step on us up
Sixty inch screen, laserdisc with the beam
It's my life, I'm holding the dice, don't intervene

I send a team to smash out your whole plans
No cold hands liquid or hunger to hold grands
From state bids to large cats who lace cribs
It's Firm Biz, y'all know what time it is

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is
(Firm, Firm Biz)

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is, that is
That is that is Firm Biz

Peep the stee, creepin' with AZ
B-12's crazy I ball with the firm's first lady
I brawl with those who hate me
Make me spray I all, hoping for the day I fall

Never that though Black 4 4's for fedz
Like Donnie Brascoe so peep the capos
Who mack most splash it up with lactose
Pretty thug style, I blow you out slug style

Bent in the Caddy Coupe me and daddy duke

He schooled me on how to stand on my own two
He said, "Son it's all kinda shit you gon' go through
Either you gon' make it or you gon' fall too"

Now we headline tours remember me
I told you that the world was yours
Married to the Firm laws, esco bless flows y'all know
me
Laced in the Sony Firm be the hottest click to blow G

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is
(Firm, Firm Biz)

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is, that is
That is that is Firm Biz

My pops used to warn me never fall victim to the horny
Keep the pussy tight, stay that bitch
If I'm gon' fuck lay that dick
Tony get him for his chips and pray he push a six

Now I got game to make the thuggish niggas scream
my name
Hope the panties drop only if I cop
The baby blue drop, gotta keep my wrist iced
The baddest bitch, yeah, the sex is alright

Lace 'em all night, going to the crib
Jumping out the range in the iceberg tights
Yeah, I know about the five and its one shut eye
360 wave spinning cat thinkin' he Nas

From now till the day we shinin' keep my diamond
Esco with me in the E reclining top dogs
The illest duo since the Boss name was Hugo
AZ Firm trio stay on the lee low

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is
(Firm, Firm Biz)

I'm talking Firm Biz to you, baby
(Firm, Firm Biz)
Talking 'bout the Firm, that is, that is
That is, that is Firm Biz

I wanna talk about it
I wanna talk about the Firm, Firm Biz
I wanna talk about it
I wanna talk about the Firm, Firm Biz

I wanna talk about it
I wanna talk about the Firm, Firm Biz
I wanna talk about it
I wanna talk about the Firm, Firm Biz

Firm Biz, Firm Biz, Firm Biz
