"In The Morning"

In the morning
On your journey to the sea
In the mountains
Your shadows beside me

You crossed the pasture land
And threw your wedding band
Into the great deep
Where you'd rest to sleep
My dear

In the oceans where you lay

Where you've made your grave
They'll find you on the shore
Rosy no more
My dear

In the morning
On your journey to the sea

You crossed the pasture land
And threw your wedding band
Swallowing the seed
Of truth
