She Walked In From The Pourin' Rain And I Really
Wanna Know Her Name, Shes, No Ordinary, See I'm
Starting To Question Myself, She Looks So Fine She
Blows My Mind, Maybe You Can Spend Some Time
The First Time I Saw Your Face I Knew You Was Meant
For Me We Was Meant For Each Other Like Remotes
And Tv , So I Had To Approach You And Then Drop A
Little Speach When You Replied Back Your Voice
Sounded So Sweet, Two Hours Gone By And I'm
Standin' In The Same Place Still Talkin' For Ages And I
Says Alright Babes Oh I Gotta Go Now And You Turn
And Smile Said You Gimme A Dial , Its Bin Six Monts
Down The Line We Were Together Everythins Fine ,
Then I Play The Fool Inside , You Introduce Me To Your
So Called Best Friend And Behind Your Back Shes
Tryin' To Fuck Your Boyfriend So I'm Thinkin' 'ere Tryin'
To Make Amends , All These Troubles And Problems
Fillin' Up In My Head And I Ain't Got Time For He Said
She Said So I Said That I'm Sorry Babes Please Forgive
Me and if you don't you shouldn't feel no way Cause I
Know I Messed Up And I'm The One To Blame , Yeh ,
Gimme A Chance To Change My Ways Thinkin' 'bout
The Next Stage And Theres No Goin' Back To The Old
Days

She Walked In From The Pourin' Rain And I Really
Wanna Know Her Name(Whats Her Name?) Shes, No
Ordinary(No Ordinary), See I'm Starting To Question
Myself, She Looks So Fine She Blows My Mind, Maybe
You Can Spend Some Time

Yeh Listen, Yo My Come Has Got Me Feelin' So Low
Sittin' In My Yard By The Phone I'm Waitin' For You To
Call , Ive Gave You Pure Missed Calls You Still Aint Ring
Back , I Know I Messed Up Girl And Now You Got Me
Feelin' Bad , What Was I Meant to do you know its part
of life she was comin' on to me i didn't really think
twice now im thinkin' twice your face goin' threw my
mind i wish i could just turn back the hands of time you
know we live to die so why im goin' im wantin' you by
my side with your beautiful smile and light brown shiny
eyes

the best thing was your personality inside you made
the dark turn bright
late nights you used to ring my phone
tellin me your alone and i should come to your home
you got very close it was like your more than my girl
and if we get back together
i promise our love will never fail

She Walked In From The Pourin' Rain And I Really
Wanna Know Her Name, Shes, No Ordinary, See I'm
Starting To Question Myself, She Looks So Fine She
Blows My Mind, Maybe You Can Spend Some Time

Queen shady babes please don't blame it on her
because your weak there aint no goin' back you damn
proved your a cheat now i can picture us in love at the
altar saw you as my hubby with a son an a daughter
and your right i ain't got time for the old days our loves
already failed my heart aches i don't wanna stay what
we has was great and certainly you had me fooled you
weren't only my man you was my soul mate do me a
favor stop callin' all hours of the mornin' and if you
really cared you would stop haunting
and now your ready to talk
so take a walk so stop sendin' me gifts I've had enough
i cant be brought what do you know about low
my hearts broke
try take me for a joke
and you gave me false hopes
listen
i cant be with you
we cant be together
shoulda thought twice
at the right time
you aint clever

She Walked In From The Pourin' Rain And I Really
Wanna Know Her Name, Shes, No Ordinary, See I'm
Starting To Question Myself, She Looks So Fine She
Blows My Mind, Maybe You Can Spend Some Time
