Character Assassination

I don't want to die

'til i'm twenty-six

Live in my house

Way up in the hills

You're never, never, never

Going to gain control

Your life is empty

If you knew what I knew,

It's character assassination

Teenage suicide, ha ha

I'll think, i'll overdose

Cover of rolling stone,

4 lines I'm comatose

My wife threw out my record collection

Through them into our olympic pool

Walked in on my secret love affair

With my thirteen year old whore

She said "I don't want to talk about it,

you're just l.a. scum"
