Oh...Is It A Full Moon (Again?)

I want to slice my life into a thousand pieces
I want to stab this pen into the side of my wrist
I want to end it all in a bloody, bloody mist
I want to fuck the world over and over again...

I want to make a hole, one that will sink a burning ship
I want to hang on down from this broken tree limb
I want to fill my head with heavy flashes of lead
I want to swallow love, and rest assured...

Again, again, burn the world again
