Dime diva's give it to me
I hopped up out of bed
Turn my swag on,
Took a look in the mirror
Said wassup wassup wassup(yeah)
I'm gettin' money (ohh)

I hopped up out of bed
Turn my swag on,
Took a look in the mirror
Said wassup wassup wassup (yeah)
I'm gettin' money(ohh)

They told me round my hood
(What they say?)
Boy they say everytime they see me
I look good (yeah)
I'm gettin' money (ohh)
If you be hatin' just be mad at your self
I bet you think this song is about you,
Don't you
But this aint about you

Said this is for my people who be handlin' buisness
Got in ups to them haters 'cause we busy winnin'

You can tell me nothing(x2)
If you aint gettin' money
Then you aint got nothin' for me
'Cause I be makin' papers like you wouldn't believe
And I'm always gettin' haters like you wouldn't believe
So wassup (yeah)
Boy stop (ohh)

I hopped up out of bed
Turn my swag on
Took a look in the mirror
Said wassup wassup wassup(yeah)
I'm gettin' money (ohh)
