Crush you [x20]

I can fight (fight) like in Tekken [x2]

I can fight

And you know that I will crush you

I can fight [x3]

Like in Tekken

I can fight (fight) like in Tekken [x3]

Like in Tekken [x4]

I can fight

I can

fight [x29]

And you know that I will crush you

Like in Tekken [x3]

I can fight

Crush you [x13]

I can fight [x2]

I can fight (fight)

Like in Tekken

And you know that I will crush you

Tekken [x16]

Crush you [x13]
