I'll be seeing you in all the old, familiar places  
That this heart of mine embraces all day through  
In that small cafe, the park across the way  
The children's carousel, the chestnut tree  
The wishing, wishing well

Well, I'll be seeing you  
In every bright and summer's day  
In everything that's light and gay  
I'll always think of you that way  
I'll find you in the morning sun  
And when the day is through  
I'll be looking at the moon,  
I'll be seeing you

I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you
