Its such an ugly word, I said  
Sounds just like it means  
Its such a brutal sound, my friend  
Tear it at the seams

Rip it, bleed it, cant conceive (of?) it (x3)

It strains and moves so quickly  
It makes an ultra-sound  
The proof is on the page, my friend  
And its growing pound by pound by pound

Rip it, bleed it, cant conceive (of?) it (x3)

3 to 2 to 1  
Ill make her see  
3 to 2 to 1  
Ill make her believe

Its not the life for me (x3)  
Its not the life for him
