Well take it to the stage, sister
Take it to the stage
Credentials accepted
With eyes and not seeing

Well take it to the stage, sister
Take it to the stage
Ashes of tinder
The way of the beaten
The magnet attracting
a witless aladdin

I wish I could stop the shaking
I wish I could stop your shaking
Gas lights dont prove were right (x2)

Well take this town by rail, sister Take this town by rail Well take this town by rail, sister Carry this town on our backs (x2)
