Everybody's yelling at me, I just cant get away.

Nothing Ive done has been OK today.

This is the worstest day Ive ever had.

I wish you were here, it wouldnt seem so bad.

Chorus:

You always take me out of myself ,

Just like the wind we go flying away,

Laughing on a beam made of light.

Troubles on the ground, they seem miles away.

Im Alright! Im OK!

Everything is slipping away. Slipping down the drain.

All these doors go slamming in my face.

Feel so small, I think Ive lost my way.

Wish you were here, I know just what youd say.

Chorus.

Over the houses and the valleys to the Mountain,

Yes, were on our-

Leaving our troubles and our worries to the Kingdom,

Yes, were on our-

Way. Were on our way. Hey, hey, hey!

Im alright, Im OK!
