Lost feelings return  
So now maybe I'll learn  
To stop this world of a lie  
This time around

Are we, are we, are we ourselves?  
Are we, are we, are we ourselves?

Because seen through these eyes  
We lead a double life  
No one would know  
So check it out, stepping out, here I go

Are we, are we, are we ourselves?  
Are we, are we, are we ourselves?

Do we know, when will we find out  
Are we, are we, are we ourselves?

Well most spirit returns  
Now maybe we've learned  
To stop this whirl of a lie  
To this earth we are bound I ask you

Are we, are we, are we ourselves?  
Are we, are we, are we ourselves?

Do we know, do you really care  
Are we, are we, are we ourselves?

Are we, are we, are we ourselves?
