You can't depend on your teacher;

You can't depend on your preacher;

You can't depend on politicians;

And you can't depend on superstitions.

Hey!

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!

You can't rely on Mother Nature;

You can't rely on you paycheck;

You can't depend on you doctor;

You can't rely on your lawyer. No!

Hey!

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!

Aah, aah, aah, ah...

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!

Love can rock you!

Never stop you!

Aah, aah, aah, ah...

Love is like a rock!
