True you ride the finest horse I have ever seen,  
Standing sixteen, one or two. With eyes wild and green,  
You ride the horse so well, hands light to the touch,  
I could never go with you no matter how I wanted to.

Ride on, see you, I could never go with you  
No matter how I wanted to.  
Ride on, see you, I could never go with you  
No matter how I wanted to.

When you ride in to the night without a trace behind,  
Run your claw along my gut one last time.  
I turn to face an empty space where you used to lie,  
And look for the spark that lights the night  
Through a teardrop in my eye.

Ride on, see you, I could never go with you  
No matter how I wanted to.  
Ride on, see you, I could never go with you  
No matter how I wanted to.  
No matter how I wanted to.
