I was such a fool
To fall in love with you
I was such a fool
To think you loved me too
Then suddenly something happened
Your love flickered and died
But mine kept right on burning
And burst into a torch impossible to hide
I was such a fool
To think that you were mine
Here's to your new love
Let's drink a toast of sparkling wine
You taught me a lesson it's true
But wait till it happens to you
I was such a fool
To fall in love with you
You taught me a lesson it's true
But wait till it happens to you
I was such a fool
To fall in love with you
