Love walked right in and drove the shadows away
Love walked right in and brought my sunniest day
One magic moment and my heart seemed to know
That love said Hello - Hello darling
Though not a word was spoken
One look and I forgot the gloom of the past
One look and I had found my future at last
One look and I had found a world completely new
When love walked in with you
Love walked in
Love walked in
Love walked in
Love walked in
