1 - [Destiny's Child]

I was once a fool too  
I know what he's putting you through  
So don't tell me what I should do  
I ain't gonna end up like you

His love has gotten' you blind  
Wake up and use your mind  
I let you do your thing  
Stop playa hatin' on me

Kelly, ain't it a shame  
That boy you call your man  
He's runnin' game  
Don't mean to cop you out  
But you gettin' played  
I'm just looking out  
Don't let him do you that way

Repeat 1

Beyonce, oh Beyonce  
Don't talk about my man cuz your's was fade  
You woke up here was sprung, you oh so in love  
But I let you be so let me be alone  
(Let me be alone)  
No way will I stay and watch him play you for a fool  
Don't let a playa play on you

Repeat 1

I'm just looking out  
You're my girl, no doubt  
I know how men can be  
I just think he loves me  
Don't be a fool no more  
I can't let him go  
I'm trying to make you see  
I still think he loves me

[William Floyd] - rap

Yeah, yeah, now check it  
You don't know how I feel  
You need to stop trippin'  
You don't even know the deal, for real  
Nothing but love and respect for this girl  
That's why she's laced with these diamonds and pearls  
Now I know she's been hurt in the past  
Gon' find a way to make this love affair last  
You got too much time on your hands  
You need to stop hatin' and find your own man  
He can't tend first child love the sand  
Baby girl for you I tip all this land  
Gainst the forces of Satan, we gotta make a stand  
We could be lovers and the best of friends  
A legion of swords couldn't make me retreat  
That just shows how much your love inspires me  
When I look in your eyes and I know there's a smile  
Put it all together, you're my Destiny's Child

Repeat 1
